USER ACCESS CONTROL POLICY (v3)

1. Roles

- User: upload documents, track submissions, access own payments.
- Officer: review/verify documents, manage the review queue.
- Admin: full platform governance, analytics, and policy.

2. Principle of Least Privilege

Each account receives only the permissions required for its role.

3. Authentication

Two-factor authentication is mandatory for officer and admin accounts.

4. Audit

All privileged actions are logged and reviewed monthly.

Owner: Rajesh Biswas, Platform Administrator Effective: 01 June 2026
